**Assessors Cannot Get Correct
Value.**

To get a correctly assessed value in Kentucky is impossible under the present system, is the statement of the Board of Equalization in reporting to Governor Willson Friday. "In many cases the failure is the result of ignorance, carelessness or slovenliness, in others shrewdness and duplicity—done purposefully to mislead," in the indictment against the Assessors by the Board.

Judge John E. Garner, of Winchester, Chairman, devoted most of the report to satire. He said: "There are few good Assessors, and we say 'few' for lack of a general term that expresses a lesser number."

He added that the owners of land become perjurers, and excuse themselves on the ground that perjury is better than poverty. He adds that 55 per cent of the property owners fix their assessment.

He concluded by saying that witnesses before the board tell that all the good soil in the country is washed into the river, and in the city the railroads acquire for terminals and schools and churches acquire for charitable purposes all the good and valuable land, none of which then becomes taxable.

DEATHS.

—John J. Marks, aged 22 years, son of Chas. J. Marks, formerly of Paris, died at his home in West Covington Saturday. The funeral services will be held from the residence 35 Bond street at eight a. m., Wednesday, June 7, with requiem mass at St. Ann's church at 8:30 o'clock.

—Miss Sallie Jaynes died at the Good Samaritan Hospital in Lexington Sunday about noon after a protracted illness, the last three weeks of which she had been under treatment at the Lexington institution.

For two weeks her recovery had been despaired of although on the day before her death she rallied which encouraged the hope existing in her relatives and friends. The news of her death was received here with universal sorrow.

For many years Miss Jaynes has been a native of Paris. She was of English birth, her parents, Mr. and Mrs. Robt. Freeman Jaynes having emigrated to America in the early fifties.

Miss Jaynes was a devout member of the Presbyterian church and being highly cultured, having traveled and read extensively having a remarkable memory, she possessed an unusual conversational charm.

Of a large family only two sisters survive, Misses Rebecca and Matilda Jaynes. Two other sisters, Eliza and Martha, married William and Harry Warren, of Lexington, and died several years ago; while the only brother, Mr. Fred Jaynes, was burned to death while taking the presents from a Christmas tree at the residence of Mr. J. H. Bassett in this city a number of years ago.

The body was brought to Paris yesterday morning and the funeral will take place at the residence on High street this afternoon at 4:30 o'clock, conducted by Dr. B. M. Shive. Burial in Paris cemetery.

RELIGIOUS.

—There will be no prayer meeting at the Presbyterian church Wednesday evening as announced, on account of the commencement exercises at the Paris High School.

—The pastors of the Protestant churches of Paris met Thursday afternoon in the library of the pastors' study of the Baptist church and arranged for a series of union services for Sunday evenings throughout the summer. The first union service will take place on Sunday evening, July 2, at the Baptist church. Elder Carey E. Morgan of the Christian church will preach the sermon.

—The Central Methodist Advocate has the following:

"Rev. O. B. Crockett the popular and wide awake pastor at Paris, Ky., is announcing in this issue the dedicatory services for the new church edifice there, to take place June 11, with Bishop H. C. Morrison to be the preacher of the occasion.

"The dedicatory services will be followed by a series of protracted meetings, with Rev. J. L. Clarke to do the preaching and Miss Mary D. Harbison as special singer. We congratulate Bro. Crockett and his noble people on the completion of this new building, which is to take the place of the beautiful edifice destroyed by fire about eighteen months ago. It is reported that the present house is an improvement on the one it stands in the place of. If so, it will be a great credit to the enterprise and devotion of that faithful congregation, which had just come out from under the long burden of debt imposed by the erection of the other splendid house, when the calamity of fire laid waste their cherished hopes and liberal labors.

"That congregation has gained the respect of the entire community, and had valuable sympathy and financial assistance shown by people other than those of their own church in the former effort, and will have the same, no doubt, this time. God, and others, will always help those who help themselves.

"We wish for them a successful dedicatory exercise and a spiritual revival to follow."

Public Sale.

R. K. McCarney, agent for Mrs. Mattie McCarney, will sell at public auction on Thursday, June 8, at 2 o'clock p. m. two very desirable pieces of property. Attend the sale.

A GOOD REASON.

Paris People Can Tell You Why It Is So.

Doan's Kidney Pills cure the cause of disease, and that is why the cures are lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache, headache and distressing kidney and urinary complaints. Paris people testify to permanent cures.

Mrs. J. W. Huffman, 115 N. Main Street, Paris, Ky., says: "I gladly corroborate the public statement I gave in 1905 in which I made the fact known that I had used Doan's Kidney Pills with satisfactory results. I had sharp pains across my back and kidneys and at times was so miserable that I could hardly attend to my work. Headaches and dizzy spells were also common. Doan's Kidney Pills removed all these symptoms of disordered kidneys and I have never had any return attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Hold to the Stock.

Burley tobacco growers, who hold stock in the Burley Tobacco Society, are advised to hold on to their stock by the Executive Board, which met in Lexington last week and adopted the following resolutions:

"In view of the fact that we have information from some counties that a few of our members are disposing of their stock in the Burley Tobacco Company for less than fifty cents on the dollar, we feel it our duty and take pleasure in informing our members, or stockholders in the company, that it is our best judgment that the stock is worth one hundred cents on the dollar or more."

"At the present time we cannot tell what the earnings of the company will be, but it looks very bright for laying up a good surplus or a nice dividend, and we advise that no member sell his stock, and in the event he does that he not take less than par."

Why Not Try Our Comparison Plan?

The plan we call our "Comparison Plan" is very simple. Come to our store, pick out as many suits or other things as you like, and take or have them sent to your home. Then in the quiet of your own home, away from the influence of salesmen or triplicate mirrors, you and your family select the clothes you like best. It's a great idea.

This is simply a case of confidence in our clothes, and it helps us to prove to you the force of our assertions that we are selling far and away the finest clothes in town, at no greater cost than the average sort. Try this plan.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

Dr. J. C. Pierce

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

Flag is Needed.

On decoration day a flag over the Government building was conspicuously absent, due to the fact that there is no flag in possession of the custodian to be raised over the building. We are informed the postmaster can secure a flag by making a requisition to the government. This should be done by all means as the handsome structure on an occasion of this sort looks incomplete without Old Glory floating from the flagstaff.

Attend the Sale.

Attend the sale Thursday at 2 o'clock p. m. of R. K. McCarney, agent for Mrs. Mattie McCarney, 1A house and lot on South Main street and a double dwelling house on Vine will be exposed to public sale. Both pieces of property well improved and very desirable.

A Welcome Change

Smoke curling up from the farmhouse chimney as the men are coming in from the fields, gives a pretty suggestion of a good supper and a comfortable home. But it also means a hot, tired woman, working hard over a blazing fire.

Your wife can escape this with a New Perfection Oil Cook-stove.

A New Perfection keeps a kitchen many degrees cooler than any other range, yet it does all a coal or wood range can do. It saves time, labor and fuel. No wood to cut; no coal to carry; no ashes; no soot. With the New Perfection oven it is the best cooking device you can find anywhere.

New Perfection
Oil Cook-stove

Made with 1, 2 and 3 burners, with long, turquoise blue enameled chimneys. Handsomely finished throughout. The 2 and 3 burner stoves can be had with or without a cabinet top, which is fitted with drop shelves, towel racks, etc.

ALL MY PIMPLES GONE

Girl Tells How a Blotchy Skin Was Cleansed By a Simple Wash.

"I was ashamed of my face," writes Miss Minnie Pickard of Altamahaw, N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago."

D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, black-heads, and all other minor forms of skin impurities.

The fact is, that while D. D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble.

D. D. D. is pleasant to use, perfectly harmless to the most delicate skin, and absolutely reliable. A 25-cent bottle will give you positive proof of the wonderful effectiveness of this great remedy.

"My wife would have been in her grave today," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Infallible for coughs and colds, it's the most reliable remedy on earth for desperate lung trouble, hemorrhages, grippe, asthma, hay fever, croup and whooping cough. 50c, \$1. Trial bottle free. Lightning Kills Few.

In 1908 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Berlington, Ia., proved. Four doctors gave him up a ter eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c at Oberdorfer's.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

WASH THAT ITCH AWAY

It is said that there are certain springs in Europe that give relief and cure to Eczema and other skin diseases. If you knew that by washing in these waters you could be relieved from that awful itch, wouldn't you make every effort to take a trip to Europe at once? Would you not be willing to spend your last cent to find the cure?

But you need not leave home for these distant springs. Relief is right here in your own home town!

A simple wash of Oil of Wintergreen, Thymol and other ingredients as compounded only in D. D. D. Prescription will bring instant relief to that terrible burning itch, and leave the skin as smooth and healthy as that of a child.

If you have not already tried it, get at least a 25-cent bottle today. We assure you of instant relief.

The Brown Pivot-Beam Riding Cultivator.

Foot Treadles attached to the Beams which connect with the sleeve arch in front, so that the forward pressure of the foot shafts the beams in their lateral movement.

When the beams are yoked together with our unique Adjustable Spreader, the forward motion of the operator's foot moves the beams in a like direction, and when used independently, a small coil spring on each beam is brought into action, so when pressing forward with the foot, the beams move away from the plant and without any effort on the part of the operator the spring brings them back to the row.

With this construction, any desired penetration is secured through Brown's Patent Hitch in connection with levers; and in addition, the operator has the advantage of pressing directly on the beam with the foot, thus enabling him to perfectly regulate the depth of plowing regardless of the irregularity of the soil.

The power or leverage through the agency of these foot treadles is practically double that of any other device and the action on the beams is not only powerful but the beams respond quickly to the pressure of the foot.

Distance between beams can be changed quickly without operator leaving the seat. Movable axles so that wheels can be adjusted to track any desired distance apart.

This cultivator is easily adjusted to balance with any weight of operator. A test will prove it the best.

News of The Diamond.

FRIDAY.

The Colts went down in defeat for the fourth time in the week at the hands of the Bourbonites in Lexington Friday afternoon by a score of 3 to 1. What proved to be a costly mistake came in the ninth session when Godman drove the ball between first and second and Haines hurled his glove at the ball, hitting it and giving the runner three bases. The play cost Lexington the game.

Hauser, who pitched for Paris was very effective and during the nine sessions allowed his opponents four hits, two of which were of the scratchy order. Robbins was hit hard, but proved very fortunate in keeping his hits well scattered.

Barnett was there with the heavy end of the hitting and out of four times up hit safely each time. Maxwell out of four times tore off two singles. The score: Paris.....0 0 0 1 0 0 0 2-3 Lexington.....0 1 0 0 0 0 0 0-1 Batteries—Paris, Hauser and Mayer; Lexington, Robbins and Sewell. Hits—Paris 9, Lexington 6. Errors—Paris 2, Lexington 2. Two base hits—Yancey, Hikes, Harrell, Kuhlman. First base on balls—off Robbins 2, off Hauser 2. Struck out—by Robbins 10, by Harrell 5. Left on bases—Lexington 7, Paris 8. Sacrifice hits—Harrell, Streiker 2. Passed ball—Sewell. First base on errors—Lexington 2, Paris 1. Time—1:45. Umpire—Bohannon.

SATURDAY.

By heavy and timely hitting the Bourbonites snatched a game from the Rivermen Saturday afternoon by a score of 10 to 5. The contest was a slugging match in which both Shears and Beer were hit hard, but only in two innings did the former allow his opponents to bunch their safeties. In the second session Maxwell landed the sphere over the left field fence for a home run, counting first for the locals.

Both Shears and Beer opened up by retiring the first three men that faced them but in the second four hits counted three runs for the visitors. Clever led off with a single to center, but was forced at second on Woodruff's grounder to Shears. Williams doubled to right, sending Woodruff around to the third station to be counted on Langenham's single to center. Langenham reached second on a choice and scored on a wild pitch. Romaine went out, Barnett to McKernan, and Beer grounded to McKernan for the third out.

Paris counted in their half when Maxwell drove the ball far over the fence for a homer. In the fourth

another was annexed. Mayer doubled and went to third on a passed ball. Maxwell whiffed the wind and Barnett drove the ball to center and on the out Mayer crossed the rubber.

Three hits counted for as many runs in the session following. Kuhlman went out on a grounder to Williams. Streiker singled and stole second. Shears fanned and Harrell tripled to right, scoring Streiker. McKernan was thumped in the back and pilfered the second sack. Mayer drove the ball into safe territory, scoring both men. Maxwell fanned for the third out.

Another run was counted in the seventh when McKernan, who was hit for the third time, scored on Maxwell's three bagger. Four runs in the eighth practically put an end to the hopes of the Rivermen. Godman went out on a grounder to Clever and Kuhlman was hit. Streiker singled and Shears followed with a safety. McKernan scoring. On Harrell's drive Streiker crossed the plate and on a wild pitch Shears and Harrell counted. The next two men hit into outs.

The visitors made a faint rally in the ninth. Clever walked and went to third on Woodruff's double. Williams popped to McKernan and Langenham singled, scoring Woodruff. Romaine flied to Goodman and Beer doubled. With two on bases Fisher flied to McKernan. The score:

Maysville.....0 3 0 0 0 0 0 2-5 Paris.....0 1 0 1 3 0 1 4 x-10 Batteries—Paris, Shears and Mayer, Maysville, Beer and Fisher. Hits—Paris 12, Maysville 10. Errors—Paris 1. SUNDAY.

In a pretty contest at White Park Sunday afternoon the Bourbonites took the Pioneers into camp by a score of 5 to 3. The game was snappy from the start and both teams were on their mettle. Paris played with a determination seldom seen in a Blue Grass aggregation and won out in the eighth session.

Harold essayed to pitch for Paris but before the game had progressed three innings after he had allowed six hits which counted two runs and he was relieved by Maxwell, who held the heavy hitting Richmond aggregation to two hits in the remaining sessions. Black was very effective until

the eighth when the Bourbonites bunched their hits. The score: Paris.....1 0 0 0 1 0 3 x-5 Richmond.....0 1 1 0 0 0 1 0-3 Batteries—Richmond, Black and Haley; Paris, Harold, Maxwell and Mayer. Hits—Paris 9, Richmond 8. Errors—Paris 2, Richmond 1. Two base hits—McKernan, Maxwell, Whitaker. Three base hits—Mayer, Olson. Bases on balls—off Maxwell 3, off Black 2. Struck out—by Maxwell 1, by Harold 2, by Black 4. Hits—off Harold 6 in 2 1-3 innings. Double plays—Kuhlman to Barnett. Sacrifice hits—Haines, Mayer. Sacrifice fly—Haines. Stolen bases—Olson, Barnett 2, Goodman. Time—1:35. Umpire—Doyle.

MONDAY.

The double bill scheduled to be pulled off at White Park yesterday afternoon was interfered with by the heavy rain which began to fall at the conclusion of the second inning of the last game put a stop to the further progress of the game. Three hundred fans braved the threatening elements to witness the first double header on the local lot.

The first game was carried away by the Bourbonites by a score of 8 to 5, and in which McKernan and his men further proved their ability to find even the most sensational hurlers in the league.

Paris, who a few weeks ago officiated in a no hit affair on the Richmond grounds, was pitted against the lengthy Shears. The youthful college sensation found the Bourbonites easy picking until the fifth when they laid the heavy end of the stick against his benders, and when the bombardment subsided six runs had been counted.

In the first four sessions Parks whiffed five of the locals before they had a chance to size up his puzzlers. Shears pitched steadily throughout the contest but seven of the total of ten safeties helped the visitors to count.

Richmond counted first in the second when Haley walked and Davis hit safely. Haley reached third and scored on Shears' wild heave, Davis going to second and scoring on Creager's hit to center.

Six hits counted six runs for the locals in the fifth. Shears and Harrell singled and on Haines' miff of McKernan's grounder Shears counted. Mayer hit the ball over the fence for a home run scoring Harrell and McKernan. Maxwell doubled and counted on Barnett's single. The latter was forced at second on Goodman's grounder. Kuhlman hit safely and Streiker forced Goodman at third. Kuhlman reached third and scored on Walden's error. Shears fanned for the third out. A walk, a single and double counted

two more for the locals in the sixth, but in the two innings following they were unable to get a man around. The visitors counted one in the seventh and two in the last inning. The score: Richmond.....0 2 0 0 0 1 0 2-5 Paris.....0 0 0 6 2 0 0 x-8 Batteries—Paris, Shears and Mayer; Richmond, Parks and Haley. Hits—Paris 12, Richmond 10. Errors—Paris 1, Richmond 6. Two base hits—Whittaker, Maxwell, McKernan. Home run—Mayer. Base on balls—off Shears 1, off Parks 1. Struck out—by Shears 3, by Parks 9. Double play—Haley to Olson. Wild pitch—Shears. Hit by pitcher—McKernan, Creager. Stolen base—Mayer. Time—1:30. Umpire—Feye.

A New World's Record.

Seventy-five miles an hour is the record made by Harroun in the great Automobile Race at Indianapolis May 30. This terrific pace was tolled off mile after mile and at times was increased to over eighty miles per hour. Ten cars finished with only a small margin of time between them and eight of the ten were equipped with Michelin Tires.

A new world's record for 250 miles in 3 hours, 20 minutes and 29 seconds was made by Harroun, whose name will go down in the history of automobile racing as outriving and out generaling the best drivers in the world.
